

# The gift of a lifetime

Leaving a gift in your Will to Father Hudson's Care

Father  
**Hudson's**  
Care

Exercise class for older people at Young at Heart, which was set up thanks to a legacy gift

“Until I started coming to the group, I didn’t realise I was lonely. But I was. It really hit home when I got back from three weeks at my son’s. I was surrounded by people coming and going, grandchildren, family, their friends. When I got home and opened the front door the silence really hit me.

“I thought, if I stood here and screamed, no one would hear me. No one would come. Thank God for Young at Heart!”

June, Young at Heart Meir

Young at Heart offers social groups, day trips, help at home and activities to help older people stay happy and healthy, maintain links to their community, meet new people and create lasting friendships. **This work was made possible thanks to someone leaving us a gift in their Will. Is this something you can consider?**

## **Leaving a gift in your Will could help transform someone’s life.**

Father Hudson’s Care reaches out in love and friendship to provide support, advice and care to people who need our help. We offer services to people from all walks of life who are experiencing difficulties.

We don’t see problems or labels, but people with lifetimes of experiences that shape who they are, and ambitions and dreams that guide who they will become. We work with them, understand their past and their vision for the future, and provide support to help them fulfil their goals. **We couldn’t do this without you.**

A gift in your Will is one of the most precious gifts you could give. Anyone can leave a gift, no matter how large or small, and every donation will help us continue to care for others. Every gift can help change someone’s world.

Making a Will is a very personal matter. It helps you ensure your loved ones are provided for in the future. Many people also choose to leave a gift to give something to a cause that is close to their hearts. People leave set amounts of money or a percentage of their estate, as well as items.

Leaving a gift in your Will to Father Hudson's Care can transform lives by enabling us to help people overcome barriers, empowering them to live a full and meaningful life of their choosing.

This special gift could:

- Help a disabled person live a fulfilling, independent life
- Provide specialist care to older people living with dementia
- Support a homeless person to make a fresh start
- Help a family experiencing problems to overcome their difficulties, strengthen their relationships, and rebuild their lives together
- Provide foster carers with training and support to nurture the young person in their care
- Help an older person maintain links with their community and form friendships, and stay healthy, independent and happy
- Support a destitute migrant to rebuild their life
- Help someone separated from their family of origin to trace their history and connect with their birth relatives
- Provide someone living in poverty with food and warm clothing.

**Leaving a gift in your Will won't affect you now, but will one day make a vital difference to the men, women and children we work with.**

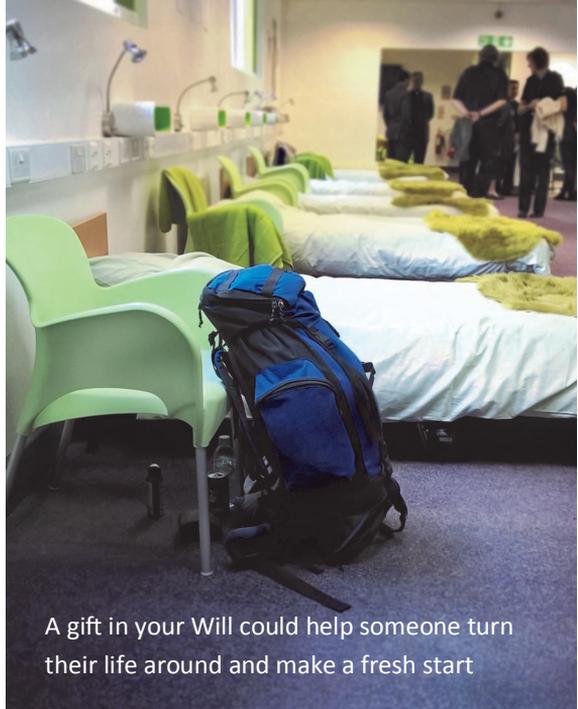

Your gift could help us care for adults with complex care needs, sensory impairments and learning disabilities

If you want to leave a lasting mark, a gift in your will is a special way to continue to care for people after your death. If you choose to include a gift to Father Hudson's Care, thank you.

Although there is no obligation to tell us you have done so, we would like to hear from you so that we can thank you for remembering the people we work with in such a personal way.

## **What will your legacy be?**

A gift in your Will could help someone turn their life around and make a fresh start
